

# X-CELL™

## Circulation Enhancer<sup>◇</sup>

The new Lifeplus® X-Cell™ Circulation Enhancer<sup>◇</sup> is an arginine-based formulation in a great-tasting, sugar-free, citrus-flavored powder for convenient use.

It is designed to

- Support healthy nitric oxide production.<sup>◇</sup>
- Facilitate ammonia and lactate removal to moderate muscle fatigue.<sup>◇</sup>
- Support immune health.<sup>◇</sup>
- Maintain acid-base balance and provide antioxidant protection.<sup>◇</sup>

Researchers won the Nobel Prize for proving that the main ingredient in X-Cell – L-Arginine – produces “NO” in your body. “NO” stands for nitric oxide and is actually what your blood vessels use to stay dilated (open) so your blood can flow through them more easily and efficiently.<sup>◇</sup>

The organs in your body for which optimal blood flow is most critical are your heart, brain, and sex organs.

### Firm up your circulation with X-Cell<sup>◇</sup>

Supplement Facts			1 Tablespoon (Approximately 15 cc or 9.1 g)	
Serving Size			30
